

## **Career Development Seminar Office of Postdoctoral Affairs**

**Thomas Magaldi, PhD**

Office of Career and Professional Development  
Memorial Sloan Kettering Cancer Center

*Presents:*

### **“Professional Development on a PhD’s Schedule”**

Professional development is the process of gaining important skills and experience that will help advance your career. Sometimes this involves developing skills that are not immediately relevant to your research. However, the pressure to publish your research or graduate on time can make professional development appear to be a luxury. Come to this talk to develop methods for pursuing professional development opportunities that do not interfere with your academic priorities.

**Monday, June 5, 2017**

RSVP required: [opa@moffitt.org](mailto:opa@moffitt.org)

**SRB, Atrium 2**

**11:30am – 12:30pm**

**and**

**12:30pm – 1:30pm**
