

Moffitt Cancer Center
Department of Hematopathology and Laboratory Medicine
and the Tampa Bay Hematopathology Society

Head and Neck Lymphoma and Mimickers

Education Symposium

Invited Speaker: Dr. Bruce Wenig, Section Head for Head/Neck Pathology

Call for Cases:

- We are looking for interesting head and neck hematopoietic lesions (benign and malignant) to discuss.
- Accepted cases will be presented in a short case presentation format (15 minutes), including history, histology, pertinent points and possible pitfalls.
- Please submit a brief description of your interesting case (no more than one paragraph) to Dr. Ling Zhang at Ling.Zhang@Moffitt.org or Dr. Elizabeth Sagatys at Elizabeth.Sagatys@Moffitt.org by May 12th.
- Authors of selected cases will be notified by May 16th.

Location: MCB, Owls Den
Date: Saturday, June 17th, 2017
Time: 9 am - 1:30 p.m.

Symposium Director: Dr. Ling Zhang

Please RSVP by May 26th, 2017

Liaison: Maria Christophopoulos, BS

Maria.Christophopoulos@Moffitt.org
